Our ITINERARY

Embarkation - Depart Miami, FL

4:00 PM

Miami is known as the cruise capital of the world. But it's more than just convenient — rev up for your cruise from Miami with the city's nonstop action, from party-ready South Beach to the Mediterranean style of Coral Gables, plus spicy Little Havana, which hums to an island beat. Once you've experienced all the South Florida architectural beauty, energetic street life and sun-kissed beaches, you may want to extend your stay in the Magic City after your cruise returns.

Sunday - September 18, 2022

Fun Day At Sea

For those who aren't familiar with the term, sea days are the times on your cruise when you're sailing between ports. A cruise ship is like a floating resort; everything you could possibly want is available to you. Feel like lounging the day away by the pool, you can do that. How about a few hands of blackjack? You can do that too. Massage? Yoga? Afternoon cocktails? Yep...Yep...and Yep!

TBA - 3DTX Private Event

Monday - September 19, 2022

Fun Day At Sea

Another day of freedom out on the open see. Catch a show or experience a fine dining experience. Use this day to do what you want to do, whenever you'd like to do it.

Our ITINERARY

Tuesday - September 20, 2022

Arrive in Aruba

8:00 am - 11:00 pm

The locals call it the “happy island,” and they prove it — Aruba cheerily welcomes visitors to picture-perfect strips of beach, swaths of exotic blooms, and some of the Caribbean’s top shopping and nightlife locales. Celebrate the year-round Caribbean spirit, or simply unwind to the island’s bewitching and relaxing tempo. It’s easy to find your own tropical beat when you cruise Aruba-style. Lounge on the white sands of world-class Palm Beach. Hop aboard the famous Kukoo Kunuku bus for a fun-filled island tour, and then relax on Mambo beach. See why visitors can’t wait to get down to snorkeling and scuba or shop for fine Dutch-made porcelain and imported chocolates in Oranjestad.

Wednesday - September 21, 2022

Arrive in Bonaire

8:00 am - 10:00 pm

Bonaire is an island nation in the Southern Caribbean that was twice “discovered” — once by the Spanish and once by the Dutch — and was until recently part of the Netherlands Antilles. Its far-flung history may be all over the map... but you’ll find the island itself located just right. Also just right is the climate — the annual average is 81.5° F — so you’ll have plenty of reasons to spend time outdoors. When in the water, diving and snorkeling happen to be some of the best ways to see the reef surrounding the island... but they’re also great for cooling off.

Thursday - September 22, 2022

Arrive in Curacao

8:00 am - 5:00 pm

Cruises to Curacao take you into the exciting pulse of the Southern Caribbean. Curaçao is where Europe meets the West Indies, and it collides here beautifully in a smashing blend of bold colors and cosmopolitan culture. The largest of what was once the Netherlands Antilles, this Caribbean island has it all. Cruise to Curaçao for the beautiful beaches and historic architecture, but don’t miss everything from the splashy sights of marine parks to the distinctive local liqueur — it all awaits on cruises to Curaçao. Above all, what awaits you is the warm, welcoming embrace you’ll start to feel the minute you set sail to Curaçao

Fun Day At Sea

Now is the time to catch up on rest before returning home and sleeping in can help you do just that. There's no need to rush to join a shore tour, catch an early tender boat, or quickly get involved, as most shipboard activities don't start until after 9 a.m.
